AI X THIS WEEK

:: CHATGPT + DALLE2 + PROMPT DESIGN

The background consists of a dense, abstract pattern of wavy, monochromatic lines, possibly representing a digital or physical surface. The lines are primarily black and white, creating a high-contrast, textured appearance. They form a series of undulating hills and valleys that cover the entire frame.

PRESENTATIONS

“ENDLESS GRATITUDE”

Design the storyboard of the short film titled “Endless Gratitude” in pairs or on your own. Future horizon is 2023.

Visual style is your choice - realistic, animation, etc but it should be colorful.

Format is free - can be a4 or larger too. Minimum l3 pages (should be easy because some pages might be close ups for emphasis,etc)

“ENDLESS GRATITUDE”

Text generated with ChatGPT

Images **should be consistent** and can be generated with any tech - Dalle2, Midjourney,etc

Bonus: what is the soundtrack like? Find a song or two for the presentation on Friday.

OpenAI is an American artificial intelligence (AI) research laboratory consisting of the non-profit OpenAI Incorporated (OpenAI Inc.) and its for-profit subsidiary corporation OpenAI Limited Partnership (OpenAI LP). OpenAI conducts AI research with the declared intention of promoting and developing a friendly AI. OpenAI systems run on the fifth most powerful supercomputer in the world.^{[5][6][7]} The organization was founded in San Francisco in 2015 by Sam Altman, Reid Hoffman, Jessica Livingston, Elon Musk, Ilya Sutskever, Peter Thiel, Olivier Gréasys and others,^{[8][9]} who collectively pledged US\$1 billion. Musk resigned from the board in 2018 but remained a donor. Microsoft provided OpenAI LP with a \$1 billion investment in 2019 and a second multi-year investment in January 2023, reported to be \$10 billion.^[10]
